Product Solution

Pipe Sealant w/ PTFE

Sealants

Anti-Seize

Gasket Makers

Aerosols

Dynatex Pipe Sealant w/ PTFE provides immediate low pressure sealing performance for tapered pipe threads. This product is designed to cure when in contact with metals fully installed. Dynatex Pipe Sealant w/ PTFE lubricates and resists corrosion, prevents leakage, loosening from vibration and moisture in hydraulic, pneumatic, steam and process piping. Allows final adjustment up to 24hrs after application. Dynatex Pipe Sealant is an excellent replacement for pipe dopes and pipe tapes.

- Seals instantly to moderate pressures
- Fully cures at room temperature to burst pressure of most piping systems
- Will not crack or shrink
- Chemical resistant
- Locks pipe and fittings against vibration

Dynatex is an ISO 9001 certified manufacturer and packager of branded and private label chemicals for everyday Automotive, Heavy Duty and Industrial Maintenance Markets
